INDUSTRY AND TRADE LIMITED COMPANY

# About Us

TAŞEVLI TEXTILE INDUSTRY AND TRADE LIMITED COMPANY was established in 1994 in Denizli in order to fulfill the increasing demands of the textile sector with its quarter century industrial experience.

Firstly, we entered the textile sector with yarn trade in 1987 and started to produce towels and bathrobes with weaving loom investments. Our company has adopted the principle of providing the continuity of the company with new products and supporting the economic power in our region and in our country by creating employment.

In addition to these, we have started to produce in accordance with the Global Organic Textile Standards (GOTS) with our organic production certificate to produce fantastic products of wood, metal and sand by exceeding our limits in our towel and bathrobe production. In line with the demands of our customers, we made a first in our company with our bamboo, modal and micro modal products.

## Our Mission

- Supplying qualified products at affordable price on time and providing service to textile industry with bigger and confidential steps.

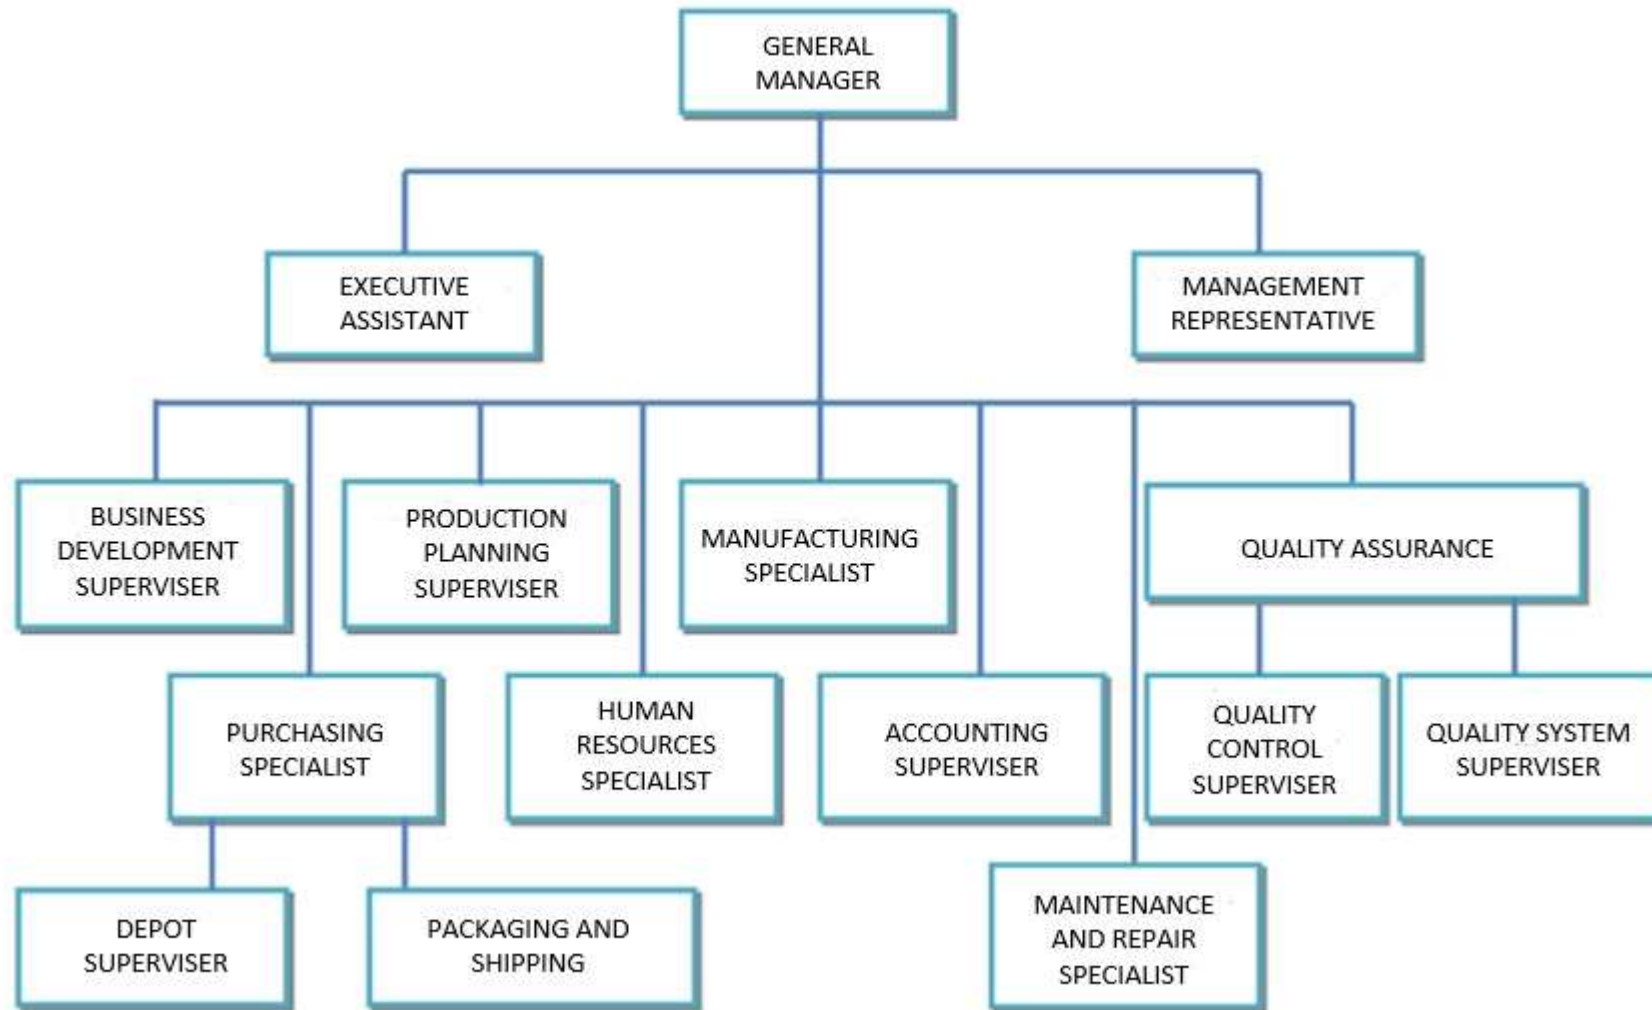

## Our Vision

- To provide qualified products for our customers on time with reasonable price and to serve to the textile sector by taking bigger steps with confidence.
